Christopher Cowan Earns QuickBooks Certifications

Toms River, NJ, October 6, 2008 – The partners with Cowan, Guteski & Co., P.A., one of the leading accounting and profitability consulting firms in New Jersey, are pleased to announce that Christopher Cowan has earned his certification in QuickBooks 2008, 2007 and Enterprise V7 from Intuit. QuickBooks helps business owners manage the financial aspects of their business. The software is widely-used by mid-to-small businesses in numerous industries, including construction, manufacturing, wholesale distribution, professional services, retail and nonprofit.

A resident of Brick, New Jersey, Mr. Cowan provides audit and tax services to clients ranging from small closely-held businesses to publicly traded companies in the construction, real estate, manufacturing and wholesale distribution industries. In addition, he works closely with clients to establish realistic financial goals and the reporting systems to ensure that they are on track to achieve those goals.

Mr. Cowan graduated from Richard Stockton College of New Jersey in 2006 with a Bachelor of Science degree in Accounting. He is a student member of both the New Jersey Society of Certified Public Accountants and the American Institute of Certified Public Accountants. Mr. Cowan is also a member of the New Jersey Builders Association, Shore Builders Association of Central New Jersey and Utility and Transportation Contractors Association.
