Coyle Obtains the Certified Information Technology Professional Certification

Toms River, New Jersey, June 12, 2009 – Cowan, Guteski & Co., P.A. is pleased to announce that Timothy L. Coyle, CPA, CITP, MBA, Director obtained the Certified Information Technology Professional certification which recognizes technical expertise across a wide range of business-technology practice areas. This certification is only available to certified public accountants.

Mr. Coyle works with a diverse base of clients in various industries, with a specialty in serving clients in the hospitality, non-profit, and professional services industries. He provides a wide range of services including audit, corporate taxation, debt financing, financial statement analysis, information technology, management information systems, as well as tax planning and consulting.

In addition, Mr. Coyle manages the Firm's Information Technology Department. He is instrumental in bringing state-of-the art technology to the Firm, as well as its clients. Mr. Coyle has worked with clients on both the selection and installation of various computer systems, including but not limited to accounting applications.

He holds a Master of Business Administration and Master in Business Studies from the Richard Stockton College of New Jersey with a major in Accounting. Mr. Coyle has served as an adjunct professor of Accounting at Georgian Court University. Professional memberships include the American Institute of Certified Public Accountants, New Jersey Society of Certified Public Accountants, Atlantic Regional Chamber of Commerce and Toms River Sunrise Rotary, where he is a Past President of the organization.

About Cowan, Guteski & Company, P.A.

As a diversified certified public accounting firm, Cowan, Guteski & Co., P.A. is committed to being an active partner in its clients' growth by delivering consistent exceptional service, value beyond accounting and innovative solutions. It provides clients with business consulting, profitability enhancement, wealth management, valuation, forensic accounting and litigation support in addition to traditional accounting and tax services to clients. Cowan, Guteski & Co. is a member of CPAmerica International, Inc., one of the world's largest networks of independent certified public accounting firms. This affiliation, along with the experience of its professionals, gives it the resources to be competitive with the "Big 4" and regional firms; and the ability to provide personalized service focused on its clients' financial growth.
